Departmental Cash Deposit Instructions

Effective July 1, 2014, the Colonial Central Processing Unit will no longer be accepting and processing departmental cash deposits. Please note that this new process is for depositing cash only. The Colonial Central Processing Unit will continue to accept and process departmental checks unless your department utilizes a remote deposit check scanner.

Please follow the steps below to deposit your departmental cash.

1. Upon receipt of cash, the departmental depositor will fill out a PNC deposit slip which includes a white slip and yellow carbon copy. Write your name and phone number on the bottom left hand corner of the deposit slip. Please see the example of the deposit ticket in Appendix A. These deposit slips are available through your Finance Director’s Office or Treasury Management.

2. Please take the dual copy deposit slip and your cash to the PNC branch located at 1919 Pennsylvania Avenue, adjacent to GW’s Foggy Bottom campus. This branch is open from 9:00 to 5:00 Monday-Thursday and until 6:00 on Friday.

3. PNC will count your cash deposit and verify the amount against your deposit slip. If everything matches, they will then give you a PNC receipt showing the date and dollar amount of the deposit and the yellow carbon copy of your deposit slip. Please see an example of the PNC receipt in Appendix A.

4. On the same day the cash is deposited at PNC, create a cash deposit journal in EAS/Oracle using this category: Cash Only Internal Dept. Please see Appendix B for step-by-step instructions on how to complete the journal entry. Attach a copy of the yellow carbon copy of the deposit slip and the PNC receipt before submitting the journal entry. For more detailed instructions regarding the EAS/Oracle process or to be set up with Oracle access, please contact University Accounting Services at 703-726-4054.

If you have any questions regarding PNC Bank or need additional deposit slips, please contact Treasury Management at 703-726-4216.

As a reminder, University departments are required to deposit all cash on the same day that they are received, in order to maintain good financial management and internal control according to the Deposit of Checks, Cash and Credit Card Receipts Policy.
